Experiments with Water

Home-Work

Note: Do it in your Notebook.

Que:1. Think what would happen if: (Page No. 60 of book)

- i. Ayesha put a puffed puri in a bowl of water. Would it sink or float?
- ii. You put a steel plate on water. Would it sink or float? What would happen to a spoon?
- iii. Would the cap of a plastic bottle sink or float on water?

Que:2. Activity: Put any 10 things (available at home) in water and observe whether they Sink/Float?
